

Welcome to the Farmyard!

Come and meet all the animals... Friday, Saturday and Sunday.

The Farmyard is an interactive pen, where you can touch, hug, and even feed the animals. They're hand reared, so they're very friendly.

Some of the animals we will have include alpacas, goats, miniature horses, donkeys, calves, lambs, chickens, ducks, roosters, rabbits and pigs and they are all looking forward to meeting you.
