

Ice Skate Tour

The Ice Skate Tour travels around New Zealand with multiple, state of the art, artificial ice rinks. They look like ice and have 97% the same gliding capacity as natural ice but don't melt and are 100% green. The Ice Skate Tour aims to offer a unique ice skate experience to as many kids, families and communities as possible. From 7-9 April 2017 they will set up at the Waikato Show.
